

We All Live Downstream!

**Uniting to Stop the Green River Nuclear Power Plant
and Protect the Green and Colorado Rivers!**

**Update & Community Meeting with Tribal Leaders
from the Colorado River Indian Tribes**

MONDAY, AUGUST 18, 2014 - 7 PM

Moab Arts and Recreation Center

111 East 100 North

Tribal Council members of the Colorado River Indian Tribes are coming to Moab and Green River from their home along the Colorado River in Parker, Arizona to share their concerns and learn more about the proposed Green River nuclear power plant that threatens the Green and Colorado Rivers.

Hear updates on the fight against the nuclear power plant, and hear from tribal leaders about their concerns about the threat to the Green and Colorado Rivers.

Sponsored by Greenaction for Health and Environmental Justice, Living Rivers and Uranium Watch
